day is different?

MasterlinkTM

Mentored apprenticeships powered
by Master Plumbers

**Master
Plumbers**[®]
Representing Excellence

Get started on a plumbing career with Masterlink – the **best value** way to do your apprenticeship.

Real experience. Real skills.

There's heaps to learn in plumbing, drainlaying and gasfitting.

Sign up as a Masterlink apprentice, and we place you with a plumbing firm for real life, hands-on training.

Start earning, right away.

As soon as you start your apprenticeship, you earn a regular wage. We pay you while you get qualified—and we pay your training fees.

We've got your back.

We set you up with a Masterlink mentor who supports you to complete your qualifications on time and with good marks.

Sorted for life.

Get yourself a trade and you get a future-proof career.

There are many paths you can take—tradesperson, business owner, project manager, hydraulic engineer and so much more. The only way is up!

Get started with Masterlink.

Do your apprenticeship through Masterlink and enjoy some awesome benefits.

- We pay you while you learn (even on block courses or other related training courses).
- We pay your block course and ITO training fees (\$11k+ for a plumbing /drainlaying & gasfitting apprenticeship).
- We pay for your block course travel and accommodation if you live out of town.
- You get a starter tool kit worth \$2,000 and an annual allowance for boots and overalls.
- You can apply for a special BNZ interest-free loan package to help with your sign up fee.
- All you need is proof of commitment, practical abilities, NCEA 1, 2 or 3 and a can-do attitude!

You pay less when you train through Masterlink!
