# Job satisfaction guaranteed!

Want a hands-on job where every  
day is different?

**Masterlink**<sup>TM</sup>

Mentored apprenticeships powered  
by Master Plumbers

**Master  
Plumbers**<sup>®</sup>  
Representing Excellence

Get started on a plumbing career with Masterlink – the **best value** way to do your apprenticeship.

## Real experience. Real skills.

There's heaps to learn in plumbing, drainlaying and gasfitting.

Sign up as a Masterlink apprentice, and we place you with a plumbing firm for real life, hands-on training.

## Start earning, right away.

As soon as you start your apprenticeship, you earn a regular wage. We pay you while you get qualified—and we pay your training fees.

## We've got your back.

We set you up with a Masterlink mentor who supports you to complete your qualifications on time and with good marks.

## Sorted for life.

Get yourself a trade and you get a future-proof career.

There are many paths you can take—tradesperson, business owner, project manager, hydraulic engineer and so much more. The only way is up!

## Get started with Masterlink.

Do your apprenticeship through Masterlink and enjoy some awesome benefits.

- We pay you while you learn (even on block courses or other related training courses).
- We pay your block course and ITO training fees (\$11k+ for a plumbing /drainlaying & gasfitting apprenticeship).
- We pay for your block course travel and accommodation if you live out of town.
- You get a starter tool kit worth \$2,000 and an annual allowance for boots and overalls.
- You can apply for a special interest-free loan package to help with your sign up fee.
- All you need is proof of commitment, practical abilities, NCEA 1, 2 or 3 and a can-do attitude!

**You pay less when you train through Masterlink!**
